1. Up to ten (10) days leave for each occurrence shall be allowed for death of the teacher's spouse, or the teacher's or spouse's children or parents. Up to five (5) days leave for each occurrence shall be allowed for death of the teacher's or spouse's siblings or other relatives. Up to two (2) days leave for each occurrence shall be allowed for death of the teacher's or spouse's friends.

2. Additional use of sick leave could be approved by the superintendent.

3. Upon approval of the superintendent, portions of a Bereavement Leave could be taken before the death of an individual, while the length of the Leave would remain the same.

12.3 SICK LEAVE DONATIONS: Teachers employed pursuant to this Agreement may donate or receive sick leave for illness or accident. The terms and conditions of sick leave donations are as follows:
1. Any teacher may donate a portion of accrued sick leave to another teacher. After the donation, the donating teacher must have a minimum of 50 hours of accrued sick leave remaining. If the designated teacher does not use all the donated days for this incident, these days shall be returned on a prorated basis to the teachers who donated the days.

2. The teacher may grant no more than 32 hours of accrued personal sick leave during the contract year.

3. At the time of termination, there is no limit on the amount of sick leave a teacher may contribute to another eligible teacher subject to any maximum limit set for the recipient teacher.

4. A teacher eligible for receipt of sick leave donations may receive no more than a maximum of 240 hours of sick leave during the contract year.

5. For a teacher to be eligible to receive a donation of sick leave, the teacher must (a) have current employment with School District No. 9; (b) have worked for the district for at least ninety (90) school days; (c) suffer an illness or accident which results in absence from work; (d) exhaust all personal or accrued sick leave, annual leave, and other accrued paid leave; (e) receive approval from the superintendent for leave of absence; (f) receive approval from the superintendent to receive a donation of sick leave.

6. Sick leave donations may also be allowed for an illness or accident for an immediate family member.

12.4 PERSONAL LEAVE:

1. Three (3) days per year will be provided each teacher for personal reasons which require the teacher's absence during working hours. Personal leave days may be taken in minimum units of no less than half days. Three days may be carried over for a maximum of six.

2. Written requests for personal leave days must be made to the building principal 48 hours in advance. The approval of any personal leave shall rest with the building principal. The approval of any personal leave days at the same time shall in part be based upon the availability of substitutes and planned district activities which would directly involve the teacher(s) requesting personal leave days. Any request that is denied by a building principal may be appealed to the superintendent.

3. Teachers may sell back unused personal leave at the end of each school year at the daily rate of a certified substitute teacher.

4. Any personal leave beyond the accrued three (3) days [24 hours] remaining at the end of the school year will automatically be paid out; however, teachers may opt to designate that the additional days (beyond the accrued three days) be rolled into their sick leave. In order to exercise this option, teachers will indicate a choice on the Personal Leave Option form to be returned to the Central Office before May 1 of the current contract year.
5. Teachers may exchange four (4) sick leave days for one (1) additional personal leave day. This request must be made in writing to the building principal and Superintendent. No more than twelve (12) sick days may be exchanged in any contract year. A maximum of six (6) total personal days per teacher per school year will be allowed.

12.5 MILITARY LEAVE: Military leave shall be granted pursuant to applicable law.

12.6 ABSENCE REPORT: To assist in record keeping, teachers will fill out an absence report available in the principal's office upon return to work.

12.7 SPECIAL CIRCUMSTANCES LEAVE: The building principal may at his/her discretion grant short leaves of absence up to two (2) hour periods, for activities that cannot be accomplished after the school day. It would be the teacher's responsibility to arrange for proper coverage for the students in his/her absence. The teachers desiring to take such leave will be required to submit a written request to the principal which states the amount of leave desired, the beginning and ending time of such leave and the purpose for which the leave is to be used. Special allowances can be made to facilitate attending a medical appointment. The building administrator may grant leave for the medical appointment after student dismissal without a deduction of sick leave. In addition the time requested cannot be in conflict with 8.3 – additional activities.

12.8 SABBATICAL LEAVE:

1. Leave will be considered for the purpose of full-time study, research, work experience or other professional activities which would enhance the teacher's value to the students of the school district or any other reason.

2. During the leave, the teacher would be entitled to participate in the school district's health and dental program by paying the amount of the premiums to the district. Teachers on leave would not lose their position on the salary schedule as attained at the time the leave started. Teachers who earn educational credits during the leave shall be placed on the appropriate lane on the salary schedule.

3. Teachers on leave shall be entitled to return to the district to their former position or to a comparable position.

4. The Board will decide whether or not to grant leave.

5. A teacher who has taught in the district for a minimum of five (5) consecutive years is eligible to apply for a sabbatical leave. Applications are available in the superintendent's office and will be offered on the contingency of money available to the district. No more than the equivalent of one (1) annual leave will be granted per school year.
   (a) The applicant must specify whether the leave is to be for a full year's duration or a semester and the stipend will be prorated to the term of the sabbatical (semester/year).
   (b) The applicant must also outline a planned education program for the requested leave showing that the applicant will be involved...
with education experience on a full-time basis during the period of the leave.

(c) To be considered, a signed application must be received in the superintendent's office by February 1 of the year preceding the requested leave and a decision made by the Sabbatical Committee reached by February 25 of the same year. The Sabbatical Committee will then make its recommendation to the District School Board for a final decision.

(d) The sabbatical committee will be composed of the superintendent, two administrators and three teachers not currently serving in the same building as the applicant.

The length of a legislative leave shall be commensurate with the legislative session, including any extensions or special sessions that may be imposed.

In return, the teacher on legislative leave agrees to transfer to the district all compensation received from the legislature.

Additionally, the following limitations and criteria must be observed and met:

1. Requests for a leave of absence and access to donations of sick leave must be made in writing to the superintendent.
2. To be eligible to receive donated sick leave the employee must:
   a) have used all available personal or accrued sick leave, annual leave, and other accrued paid leave;
   b) and the 60 hours of sick leave donations must be equal to or less than a total leave of 240 hours.
   - (Example I: Teacher has 80 hours of available leave, then is eligible for 60 hours of sick leave donations for a total of 140 hours.)
   - (Example II: Teacher has 200 hours of available leave, the teacher is then eligible for a maximum of 40 hours of sick leave donations for a total of 240 hours.)

Note: A teacher may take additional time without pay in accordance with the Family Medical Leave Act, but may not receive more than 60 hours of sick leave donations.

ARTICLE XIII
GRIEVANCE PROCEDURE

13.1 GRIEVANCE DEFINITION:

1. A grievance shall mean an alleged violation, misinterpretation or misapplication of any specific provisions of this Agreement.
2. A grievant is a teacher, or group of teachers, or the Association filing a grievance.

13.2 REPRESENTATIVE: A teacher, administrator or school district may be represented during any step of the procedure by any person or agent designated by such party to act in his/her behalf.

13.3 DEFINITIONS AND INTERPRETATIONS:

1. EXTENSION: Time limits specified in this Agreement may be extended by mutual agreement.
2. DAYS: Reference to days regarding time period in this procedure shall refer to working days. A working day is defined as all week days not designated as school holidays.
3. COMPUTATION OF TIME: In computing any period of time prescribed or allowed by procedures herein, the date of the act, event, or default for which the designated period of time begins to run shall not be included. The last day of the period so computed shall be counted, unless it is a Saturday, a Sunday, or a
school holiday, in which event the period runs until the end of the next day which is not a Saturday, Sunday or school holiday.

4.

FILING AND POSTMARK: The filing or service of any notice or document herein shall be timely if it is personally served or if it bears a certified postmark of the United States Postal Service within the time period.

13.4 EXHAUSTION OF GRIEVANCE PROCEDURE: Unless otherwise mutually agreed, the grievance procedure as contained in the Agreement shall be fully exhausted with all claims definable as a grievance as provided for in Section 13.1 above before any party shall attempt to adjudicate the claim with any other forum, agency, board, office jurisdiction, or court of law not specifically provided for in the grievance procedure.

13.5 TIME LIMITATIONS AND WAIVER: An effort shall first be made to adjust an alleged grievance informally between the teacher and the building principal and/or the school district's designee. Grievances shall not be valid for consideration unless the grievance is submitted in writing to the school district's designee, setting forth the facts and specific provision of the Agreement allegedly violated and the particular relief sought within fifteen (15) days after the date of the first event giving rise to the grievance occurred. Failure to file any grievance within such period shall be deemed a waiver thereof. Failure to appeal a grievance from one level to another within the time periods hereafter provided shall constitute a waiver of the grievance.

13.6 ADJUSTMENT OF GRIEVANCE: The school district and the teacher shall attempt to adjust all grievances which may arise during the course of employment of any teacher within the school district in the following manner:

LEVEL I: A teacher alleging a grievance shall first discuss it with the appropriate building level administrator or principal with the objective of resolving the matter informally.

LEVEL II. The grievance shall be presented in writing to the building principal setting forth the facts and the specific provision(s) allegedly violated in the terms of this Agreement and the particular relief sought within fifteen (15) days of the first occurrence of the grievance. Upon receipt of the written grievance, the building principal shall have ten (10) days to meet with the grievant in a fact finding meeting to investigate the details of the grievance and to hear the situation and possible relief. The building principal shall provide the grievant with a written answer within ten (10) days after the fact finding meeting. Such answer shall include the reason(s) upon which the decision is based. If the building principal schedules the fact finding meeting during the time in which the grievant is scheduled to teach, the District will provide a substitute teacher(s) to enable the grievant to participate in the hearing.

LEVEL III. In the event the grievance is not resolved in Level II, the decision rendered may be appealed to the Superintendent of Schools, provided such appeal is made in writing within ten (10) days after receipt of the decision in Level II. If a grievance is appealed to the Superintendent, the Superintendent or his designee shall set a time to hold a fact finding meeting regarding the grievance within ten (10) days after the receipt of the appeal. Within ten (10) days after the fact finding meeting the Superintendent or his designee shall issue a decision in writing to the parties involved.
LEVEL IV: In the event the grievance is not resolved in Level II, the decision rendered may be appealed to the Board of Trustees, provided such appeal is made in writing within ten (10) days after receipt of the decision in Level III. The Board of Trustees reserves the right to review or not to review the grievance, but must make the decision within fifteen (15) days after receipt of the written appeal. In the event the Board of Trustees chooses to review the grievance, the Board or committee of representative(s) thereof shall, within fifteen (15) days, meet to hear the grievance. After this meeting, the Board of Trustees shall have a maximum of fifteen (15) days in which to answer the grievance in writing.

DENIAL OF GRIEVANCE: Failure by the school district to issue a decision within the time periods provided herein shall constitute a denial of the grievance, and the teacher or Association may appeal it to the next level. This shall not negate the obligation of the school district to respond in writing at each level of this procedure.

LEVEL V: If the aggrieved is not satisfied with the disposition of the grievance by the Board or if no disposition has been made within the period above provided, the grievance only at the option of the exclusive representative may be submitted before an impartial arbitrator. Each party shall exercise its right to arbitration by giving the other party written notice of its intention to arbitrate within TEN (10) DAYS of the rendering of a decision at Level IV. If any questions arise as to arbitrability, such questions will first be ruled upon by the arbitrator selected to hear the dispute.

Within ten (10) days after such written notice of submission to arbitration, the Superintendent and the exclusive representative will attempt to agree upon a mutually acceptable arbitrator and to obtain a commitment from such arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the ten (10) day period, a request for a list of arbitrators may be made to the Board of Personnel Appeals. If either party objects to the Board of Personnel Appeals list, a request for an arbitrators list will be made to the American Arbitration Association and an arbitrator will be selected from that list.

The arbitrator selected will confer with the representative of the Board and the exclusive representative and hold hearings promptly and will issue his/her decision not later than THIRTY (30) DAYS from the date of the submission of the final statements. The arbitrator’s decision will be in writing and will set forth findings of fact, reasoning and conclusions on the issues submitted. The decision of the arbitrator will be submitted to the Board and the exclusive representative and will be final and binding upon the parties.

Arbitration Costs: Each party shall bear its own costs of arbitration except that the fees and charges of the arbitrator shall be shared equally by the parties.

Jurisdiction of the Arbitrator: The arbitrator shall have no power to alter, add to, or subtract from the terms of this Agreement. The arbitrator shall decide all substantive and procedural arbitrability issues. The arbitrator’s decision shall be based upon the specific provisions of this Agreement. This arbitration provision shall be for grievances only. There shall be no interest in arbitration.

13.7 EXCEPTION TO TIME LIMITS: The time limits provided in this Article shall be strictly observed unless extended by written agreement of the parties. Notwithstanding the expiration of this Agreement, any claim or grievance arising thereunder may be processed through this grievance procedure until resolution. It is understood that in
order to be processed, the grievance would have to be filed prior to the expiration date of this Agreement.

13.8 REPRISALS: No reprisals of any kind will be taken by the school district or its designee against any teacher nor will be exclusive representatives or any teacher(s) take reprisal against any member of the Board of Trustees or school administration because of their participation in this grievance procedure.

13.9 COOPERATION OF THE PARTIES: Each party will cooperate with the other party in the investigation of any grievance, and further will furnish such information as is requested for the processing of any grievance. No teacher involved in the investigation, processing or hearing of any grievance shall suffer loss of salary or benefits.

13.10 PERSONNEL FILES: All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.

ARTICLE XIV

MISCELLANEOUS

14.1 MEET AND CONFER: Representatives of the school district and representatives of the exclusive representatives shall meet and confer concerning matters of concern to the parties but which matters are not covered by this Agreement. Each party shall restrict its committee to not more than five (5) representatives for meet and confer meeting. A request for a meet and confer session shall be accompanied by an outline of the subject matters the party requesting the meeting wishes to discuss. The school district shall set the time and provide the facilities for such meeting. The report of and the recommendation of the meet and confer committee, if any, shall be forwarded to the Board of Trustees for its review. Board of Trustees action on such matters, if any, shall become a part of school district policy and shall not become a part of this Agreement.

14.2 TEACHER EVALUATION:

A. The district will maintain a process of evaluation for teachers within the bargaining unit. If at any time the district contemplates substantive changes, the district agrees to notify the association of the contemplated changes or modification and agrees to meet with the association representatives for the purpose of providing an opportunity for input by the association prior to adoption or modifications. The Board shall use the same evaluation system throughout the district. It is understood that the frequency of evaluation may vary to meet the educational needs of the district as determined by the Board and the administration. All teachers will be given prior information relative to what evaluation system will be used and teachers will be provided copies of evaluation documentation which are to be placed in the teachers’ personnel files.

B. Formal observations are defined as those observations which are preceded by a pre-observation conference and succeeded by a post-observation conference. It is understood that any reference in this Agreement to “formal observation” does not infringe upon the right of the administration to conduct informal observations
as a part of the total evaluation process. All formal observation of teachers shall be with the knowledge of the teacher being formally observed, and shall be followed with a conference between the teacher and his/her observer. Teachers shall be presented a copy of any formal observation reports, and shall discuss with the observer any questions the teacher may have regarding the report. The teacher shall be given a copy of the report, and shall sign the report to signify that he/she has read the report.

C. Alternative evaluations for professional growth, as agreed to by the principal may be arranged. Guidelines for such evaluations will be a collaboration between the teacher and his/her evaluator. The appropriate paperwork, processes, time lines, and documentation shall be developed and maintained as in any other evaluation method.

D. Should the observer identify areas where the teacher is below the evaluator's levels of expectation, specific written suggestions shall be issued by the observer.

E. "Plans of Improvement" are not subject to the grievance procedure until it becomes disciplinary. The Plan of Improvement will have a time frame for completion. After completion the Plan of Improvement will be removed from the teacher's files.

14.3 COPIES OF BOARD AND ADMINISTRATION POLICIES: On the first teacher work day, a complete copy of Board and Administration policies shall be available in the office of each building principal, and in the office of the superintendent, and a minimum of two (2) copies will be supplied to the association president. Any revisions to these policies will be supplied to each of the offices referenced above, and two copies of the revisions will be supplied to the association president within two (2) school days after adoption by the Board. The association president or his/her designee will sign a receipt for the policies and any revisions to acknowledge that they have been received. It is assumed that when five (5) school days have elapsed following presentation of policies and revisions to the association, all teachers shall have constructive knowledge of the content of the policies or revisions which were so presented.

14.4 OPEN PERSONNEL FILES: Teachers shall have the right, upon request to review the contents of their personnel files. Teachers may, upon written request, receive one (1) free copy of documents placed in the file within the last three (3) years from the date of the request. Such a request will only be granted once in a three (3) year period. Teachers may receive additional copies of any documents contained in their file at their own expense.

No secret, duplicate, alternate, or other personnel file shall be kept by the Board or administration. The "original" evaluation shall be placed in the personnel file, a copy will be maintained by the administrator, and a copy will be given to the teacher. The office personnel file for teachers will be kept at the clerk's office.

14.5 DISTRIBUTION OF AGREEMENT: Copies of this Agreement shall be produced at the expense of the school board and circulated to all teachers now employed, or hereafter employed by the Board.
The policies and revisions supplied to the referenced offices will be available for review during the regular office hours.

**ARTICLE XV**

**REDUCTION IN FORCE AND RECALL**

15.1 REDUCTION IN FORCE: The Board reserves the right to reduce the work force. When the Board determines a staff reduction should be carried out, attrition would be the first means used to accomplish the reduction. If attrition does not accomplish the total reduction necessary, the Board, at its discretion, will lay off non-tenured teachers. If the layoff of non-tenured teachers does not sufficiently reduce the staff, then the Board will layoff tenured teachers with seniority within the district being the controlling factor where all other criteria are relatively equal as determined by the Board.

It is understood that the following criteria will be considered for the purpose of determining whether or not one or more teachers are sufficiently less qualified so as to cause the Board to decide to retain a teacher with less seniority for a given position. The criteria to be considered for tenured teachers, if a work force reduction is necessary, are certification requirements and years of experience within the district. One year of experience for full-time teachers equals 187 days of seniority, for teachers with five (5) or more years of service to the East Helena School District, and 189 days of seniority, for teachers with four (4) or less years of service to the district. When the previous two factors are equal, full-time preference over part-time will be a deciding factor.

15.2 RECALL: When placed on layoff, a tenured teacher shall maintain a current address with the district. If a position becomes available for the teacher on layoff, the school district shall provide written notice by certified mail, return receipt requested. The teacher shall have ten (10) calendar days from the date of the attempted delivery by the post office, to accept re-employment. Re-employment must be accepted by certified mail, return receipt requested. Failure on the part of the teacher to accept re-employment within the time specified herein shall constitute forfeiture by the teacher to any further rights to re-employment with the district. Further, the teacher shall forfeit re-employment rights if he or she fails to report to work on the day specified in the recall notice or within twenty (20) days of the attempted delivery of same, whichever is later.

15.3 RE-EMPLOYMENT RIGHTS: Re-employment rights shall automatically cease twenty-four (24) months from the effective date of layoff and no further rights to re-employment shall exist. Upon return to work, a recalled, laid-off teacher will receive experience credit on the salary schedule for the amount of work performed by the teacher in a certified position while on lay-off. Educational preparation earned while on layoff, if such preparation meets the criteria of the district, will be credited to the teacher.

15.4 Nothing in this provision shall be construed to limit the authority of the school district to determine the number of employees, the establishment and priority of programs, or the right to reduce the number of positions within the district. Therefore, such actions shall not be subject to the grievance procedure contained in this Agreement.
15.5 SENIORITY: Seniority shall be defined as starting with the teacher's last day of continuous employment with the district. Those teachers working less than full-time shall attain seniority in proportion to the number of days working during the year. A Board approved leave of absence will not constitute a break of service. Those Title I teachers who became recognized members of the bargaining unit in 1993, shall accumulate seniority starting with the 1993-94 school term. For purposes of equity within the Title I personnel, they will receive credit for not less than 156 days for 1993-94, and 152 days for 1994-95. More days may be credited to the 1994-95 school year when an individual's schedule warrants additional days. For future years, seniority credited to Title I personnel will be based upon the number of days worked. Full-time teachers will receive 187 days for teachers with five (5) or more years of service to the East Helena School District and 189 days for teachers with four (4) or less years of service to the district.

15.6 A teacher who is laid off will remain on the recall list for two (2) years after the effective date of the layoff unless the teacher:

   a. Waives recall rights in writing;
   b. Resigns;
   c. Fails to accept recall to a position offered. It is understood that if the position offered does not provide at least as much work time as the position the teacher held at time of layoff, the teacher would not waive recall right during the two year period.
   d. Fails to report to work in a position that the teacher has accepted unless the teacher is sick or injured.

ARTICLE XVI
DURATION

16.1 TERM AND REOPENING: This Agreement shall remain in full force and effect for a period from July 1, 2015 through June 30, 2019. If the exclusive representative or the Board of Trustees desires to modify or amend this Agreement, either the Board or the exclusive representative may give notice to the other party by March 1st of any school year in which the contract is to expire by submitting a list to the other party for any amendments or modifications to this Agreement. The exception being the health and dental coverage premiums which may be negotiated yearly. Negotiations shall begin by not later than March 15, 2019, or some other mutually agreeable date of the year in which this Agreement is to expire.

16.2 EFFECT: This Agreement constitutes the full and complete Agreement between the school district and the exclusive representative representing the employees. The provisions herein relating to terms and to conditions of employment supersede any and all prior agreements, practices, school policies, rules or regulations concerning terms and conditions of employment, insofar as such are inconsistent with the provisions of this Agreement.

16.3 FINALITY: Any matters relating to the current term of this Agreement, whether or not referred to, shall not be open for negotiations during the term of this Agreement.
16.4 **SEVERABILITY:** The provisions of this Agreement shall be severable, and if any provision thereof or the application of any provision thereof or the application of any such provision under the circumstances is held invalid, it shall not affect any other provision of this Agreement or the application of any provision thereof.

IN WITNESS WHEREOF, the parties have executed this Agreement as follows:
